Pencils for All

Issue 3—October 2014

Newsletter

Pencils for All is a small educational charity, which has existed for **three** years! Our mission is to provide basic stationery and other educational resources to both social and educational institutions in the Third World Countries.

The Committee members are:
Iwona Macalka – Chairwoman, Victoria Fernandes – Secretary and Monika Dowejko – Treasurer.

The members of the committee dedicate their own time and skills so that there are no administrative costs at all!

The charity is committed to provide the best service in **helping to educate children.**

Pencils for All in Asia.

Since 2011 we have been supporting the Salesian Oratory in Lokhikul in north– west Bangladesh. This year the oratory opened a second branch in nearby Khonjonpur. Both branches are attended on weekly basis by about 600 children. The settings provide different activities and food. The cost of the service is about £1500 per year. We are able to keep the oratory open thanks to all our benefactors.

Last August Iwona helped with fundraising in Warsaw. With a group of the capital volunteers, they raised some money for some school equipment for the poorest Polish children.
