## Newsletter

***Pencils for All*** is a small educational charitable organisation which was established on the **7th October 2011**.

Our mission is to provide basic stationery and other educational resources to social and educational institutions in Third World Countries.

During the past 10 years we delivered help to over 20 countries!

The Committee are:

Iwona Macalka – Chairwoman, Agnieszka Pluta – Secretary and Marysia Stenzel – Treasurer.

The members of the committee dedicate their own time and skills so that there are no administrative costs at all! The charity is committed to provide the best service in **helping to educate children**.

**SOUTH SUDAN** - After such a long break caused by the pandemic, the pupils from CECE Primary School returned to their classrooms. Many of the children grew out of their school uniforms before they had a chance to wear them so, these were given to the younger children. The older pupils received 1 of 100 brand new uniforms that were tailored for them.

**It has been 10 years since the creation of Pencils for All, which makes this our Jubilee anniversary!**

We are still able to provide help and support through fundraising and want to say 'THANK YOU' to our benefactors. Your donations have enabled the work of volunteers and missionaries to continue and benefit all the children we are fortunate to come to know. It is great to see our prayers answered in both spiritual and practical ways.

**HAITI** - The Children's Hospital run by the Missionary of Charity in Port-au-Prince received financial help towards purchasing resources needed for the occupational therapy unit. This has proved invaluable after the recent earthquake which has contributed to further deterioration within the country.

**SOUTH AFRICA** - Despite the pandemic and the difficulties it caused, our pencils travelled to a mission in De Aar run by the Congregation of the Franciscans of the Family of Mary.
